

Patient information about the implant passport for FEHLING cervical disc replacement

Dear Patient,

You have been successfully implanted with a FEHLING cervical disc replacement. For documentation purposes, your attending physician will provide you with an implant passport containing all relevant data on the inserted implant. This data is explained for you below.

Please keep the implant passport and the relevant information in a safe place.

Information and explanations for the implant passport

Front side of the implant passport

IMPLANTATPASS | IMPLANT PASSPORT

Name of the patient

Date of the implantation

Name and address of the

Health Care Provider
